

**WINNING EDGE TECHNOLOGY PVT. LTD.**

***Fleet Manager - Vehicle  
Management & Booking  
System***

# Company Summary

Winning Edge Technology Pvt. Ltd. is a leading technology company that specializes in IT sales and service. The company was founded in 2011 and is headquartered in Pune. With a team of highly skilled and experienced professionals, We are dedicated to providing quality IT products and services to its clients.

The Company is committed to putting its customers first and providing them with high-quality products and services.

We are dedicated to staying ahead of the curve and providing its clients with innovative technology solutions.

# Mission, Vision & Values

## Mission

Our mission is to empower businesses with cutting-edge technological solutions, driving innovation, efficiency, and sustainable growth for our clients.

## Vision

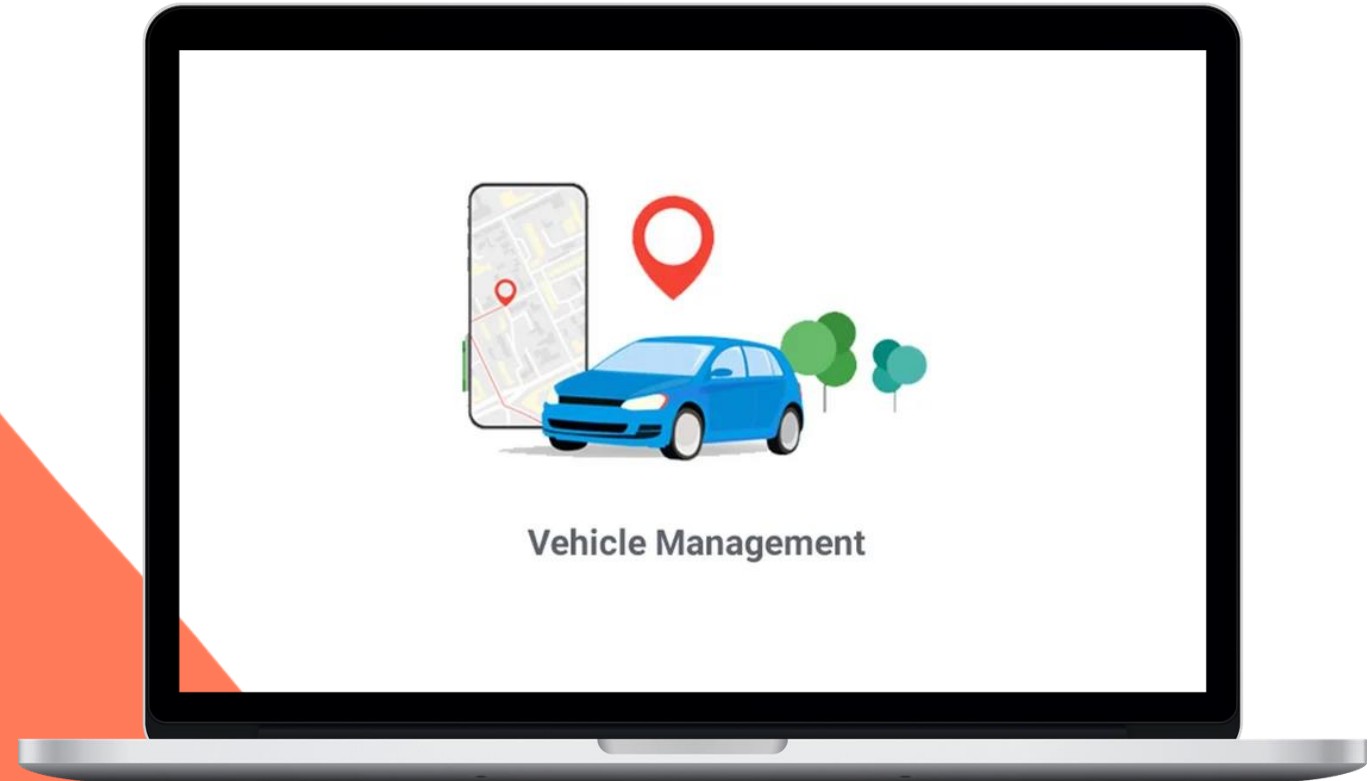

Our vision is to be a global leader in transformative technology solutions, pioneering innovation that reshapes industries and improves lives.

## Values

Our values are built on excellence, integrity, collaboration, and customer-centricity, driving our commitment to innovation and sustainability.

# Overview

Fleet Manager simplifies the complexities of fleet management, leading to cost savings, improved resource allocation, and enhanced safety. Whether you're overseeing a corporate fleet, rental service, or any vehicle-centric operation, Fleet Manager provides the tools and insights needed to optimize your fleet's performance and efficiency.

# Key Offerings

- Comprehensive Fleet Management
- Efficient Vehicle Booking
- Reservation Calendar
- User Access Control
- Real-Time Vehicle Tracking
- Scheduled Maintenance
- Fuel Management
- Driver Information
- Robust Reporting & Analytics
- Customization Options

# Real Time Dashboard

The screenshot shows a web application interface for a fleet manager. On the left is a dark sidebar with navigation items: Fleet Manager, Super Administrator, Dashboard, Users (highlighted), Drivers, Users, Customers, Vehicles, Transactions, Bookings, Reports, Fuel, and Vendors. The main content area is titled 'Drivers' and features a modal window for 'Import Drivers'. The modal includes a 'Choose File' button, a 'Download Sample Excel File' link, and a list of instructions: 'You must have to assign vehicle to every driver after importing excel file.', 'Email address must be unique for every driver.', 'Date format must be dd-mm-yyyy as shown in sample excel file.', and 'Order of all columns must be same as shown in sample excel file.'. At the bottom of the modal are 'Import Excel' and 'Close' buttons. The background shows a table with columns for Phone Number, Assigned Vehicle, Start Date, and Action, and a footer with 'Showing 1 to 2 of 2 entries' and pagination controls.

# Real Time Dashboard

The image shows a screenshot of a web application titled "Fleet Manager". On the left is a dark sidebar menu with the following items: "Super Administrator" (with a profile icon), "Dashboard", "Users", "Vehicles", "Transactions", "Bookings" (highlighted in cyan), "New Booking" (highlighted in white), "Manage Bookings", "Booking Calendar", "Reports", and "Fuel". The main content area is titled "New Booking" and contains several form fields: "Select Customer", "Select Vehicle", "Pickup Address", "Dropoff Date & Time" (with a calendar icon and the value "2019-06-15 10:55:34"), "No. of Travellers (Including children)" (with a dropdown menu showing "1"), and "Note" (with a text area containing "Enter Note For this booking"). A "Save Booking" button is visible at the bottom of the main form.

A modal window titled "New Customer" is open in the center, containing the following form fields:

- First Name**: Text input field.
- Last Name**: Text input field.
- Gender**: Radio buttons for "Male" (selected) and "Female".
- Phone Number**: Text input field with a phone icon on the left.
- Email Address**: Text input field with an envelope icon on the left.
- Address**: Text input field with a location pin icon on the left.

At the bottom of the modal are two buttons: "Close" and "Save Customer".

At the bottom of the dashboard, there is a footer with "Copyright © 2017-20" on the left and "Version 4.0.0" on the right.

The screenshot displays a web application interface for a fleet manager. On the left is a dark sidebar with navigation items: Fleet Manager, Super Administrator, Dashboard, Users, Vehicles, Transactions, Bookings (highlighted), New Booking, Manage Bookings (active), Booking Calendar, Reports, Fuel, Vendors, Work Orders, Notes, Service Reminders, Settings, and Help us Improve. The main content area is titled 'Manage Bookings' and includes a 'New Booking' button and a 'Print' button. A table lists bookings with columns for Customer, Vehicle, and Pickup. A modal window titled 'Add Payment for Booking' is open, containing fields for Income Type, Type of day, Trip Mileage (km), Waiting time (in minutes), Date, and Total Amount, along with a 'Generate Invoice' button. The background table shows two entries for 'Customer One' with a vehicle 'Honda - Jazz - 9191bh' and a pickup date of '10/12/2018'. The total amount for these entries is ₹ 500. A search bar and pagination controls are also visible.

The screenshot displays a web application interface for a fleet management system. On the left is a dark sidebar with a 'Fleet Manager' header and a user profile for 'Super Administrator'. The sidebar contains a list of navigation items: Dashboard, Users, Vehicles, Transactions, Bookings, Reports, Fuel, Vendors, Parts (highlighted in cyan), and Add Parts. The main content area has a white header with a hamburger menu, a notification bell, and a user icon. Below the header is a breadcrumb trail: Home / Manage Parts Category / Edit Part Category. The main content area features a yellow header for 'Edit Part Category' and a form with a 'Category Name' label and a text input field containing 'Electricals'. An orange 'Update' button is positioned below the input field. The footer contains the copyright notice 'Copyright © 2017-2019 Hyvikk Solutions. All rights reserved.' and the version number 'Version 4.0.0'.

# Real Time Dashboard

The screenshot displays a web application interface for a Fleet Manager. On the left is a dark sidebar with navigation options: Fleet Manager, Super Administrator, Dashboard, Users, Vehicles, Transactions, Bookings, Reports, Fuel, Vendors, Work Orders, Notes, Service Reminders (highlighted), Manage Service Reminder, Add Service Reminder, Service Item (highlighted), Settings, and Help us Improve. The main content area has a white header with a menu icon, a notification bell, and a user profile icon. Below the header is a breadcrumb trail: Home / Service Items. The main section has a teal header with 'Service Items' and an 'Add Service Item' button. Below this is a table with columns: Description, Service Interval, Create Reminder, and Action. A single row is visible: 'Change oil', '60 day(s)', '2 day(s) before due', and a settings icon. At the bottom of the table area, it says 'Showing 1 to 1 of 1 entries' and has pagination controls: Previous, 1, Next.

The image shows a web interface for a cab booking service. At the top left is the logo for 'FLEET MANAGER' with a location pin icon. The top navigation bar includes links for 'Home', 'About', and 'Contact', along with a 'Login' button with a right-pointing arrow. The main content area is split into two sections. On the left is a white booking form with a dark blue header containing two tabs: 'Book Now' (which is active) and 'Book Later'. The form contains five input fields: 'Pickup address' with a location pin icon, 'Dropoff address' with a location pin icon, 'No of persons' with a group of people icon, 'Select vehicle type' with a dropdown arrow, and 'Other things that we should know' with a text area. A green 'Book' button with a right-pointing arrow is at the bottom of the form. On the right is a promotional banner for a blue BMW sedan. The text in the banner reads 'Reliable way to book a cab' in large black font, followed by the phone number '0123456700' in green. The background of the banner is a blurred image of the car.
